The Art of Flour

Curated artisan ingredients for authentic flavour

At P.E. Foods we source and supply premium, Australian and imported flours trusted by chefs and restaurants. Our curated range helps you create dough that performs to your needs.

Tradition in every grain.

For over 100 years, Ben Furney Flour Mills has been proudly milling Australian grain, combining generations of family expertise with modern milling techniques. Based in regional New South Wales, the family-owned mill produces a carefully crafted range of quality flours and specialty ingredients for bakers, chefs, manufacturers and food lovers. From everyday bakery essentials to specialty and artisan flours, Ben Furney is committed to delivering consistency, quality and performance in every bag.

Australian grown. Family owned. Expertly milled.

Flour	Protein Range	Pack	Key Characteristics	Typical Uses
Gold Award	11.0-11.5		- Medium protein plus coarser semolina fractions Lower starch damage - Increased dough strength and stability - Improved tolerance to time and heat	Long fermentation breads Neapolitan pizza Pizza dough requiring extended bench life Mediterranean-style breads - Doughs that sit for hours before makeup
Bakers	10.0-10.5		- Lower gluten strength - Soft handling dough - Fine crumb structure	Soft rolls Buns Milk breads Hot dog and burger buns Pull-apart breads
Plain	10.0-10.5		- Lower gluten strength - Soft handling dough - Fine crumb structure	Soft rolls Buns Milk breads Hot dog and burger buns Pull-apart breads
Flour	Protein Range	Pack	Key Characteristics	Typical Uses
Hi Protein	13.0 – 13.2		- Strong gluten network - High water absorption - Excellent gas retention - Tolerates long fermentation and mechanical stress	- Artisan and commercial yeast breads Sourdough (especially higher hydration styles) Bagels Pizza bases requiring chew and structure - Laminated doughs where strength is needed (e.g. croissant blends)
Maxipro	11.5-12.0		- Balanced strength and extensibility - Moderate water absorption - Develops strength faster with less mixing than Hi Protein	Everyday breads (sandwich loaves, rolls) Pizza (especially thinner or shorter fermentation styles) Burger buns Flatbreads - General-purpose bakery production
Premium	11.0-11.5		More extensible, less elastic than higher protein levels	General-purpose baking Sweet yeast goods (scrolls, babka, brioche when enriched) Muffins Pancakes Short fermentation breads

Flour	Protein Range	Pack	Key Characteristics	Typical Uses
Pizza	10.0-10.5		- Moderate-low protein - Controlled gluten development (stretch > strength) - Balanced water absorption - More tolerance than 00, softer than bread flour - Designed for predictable pizza performance	Classic Australian pizza Conveyor ovens - Thin to medium bases - Same-day fermentation
Biscuit Flour	Max 9.5		- Very low gluten development - High spread potential - Fine, tender texture	Biscuits / scones Shortbread Cookies Pastry bases Crackers
Special White	Min 10		Extremely fine particle size (the "00" refers to milling fineness, <i>not</i> strength) - Very white, very pure (low ash 0.45) - Low enzymatic activity - Smooth, silky dough feel - Protein quality is typically soft/extensible, not elastic	- Classic Italian-style pizza with medium to <u>long</u> fermentation - Thin bases cooked at very high temperatures Egg pasta Hand-rolled pasta - Filled pasta (ravioli, tortellini) - Focaccia (short to medium fermentation)
Meal 90/10	12.0-12.5		- Stronger than straight white flour - Added fibre and flavour - Improved dough resilience	Country-style breads Sandwich loaves with wholemeal character Artisan pan breads High-fibre rolls

Pizza styles → flour behaviour

High hydration, Long Ferment, Biga Pizza	Pan Style Pizza
  	  
What the customer wants	
- Higher hydration - Open crumb - Good strength <i>and</i> extensibility - Strength over time - Predictable fermentation across days	- Consistency - Predictable absorption - Dough strength to trap gas under speed

The flour behind authentic Neapolitan pizza.

Since 1924, Mulino Caputo has been preserving the time-honoured milling traditions of Naples, crafting premium flours trusted by generations of pizzaioli, bakers and chefs around the world. Carefully selected wheat is gently milled to preserve its natural character, creating flours renowned for exceptional dough strength, elasticity and flavour.

Born in Naples. Crafted for perfection.

Caputo Pizzeria Blue 15kg

The benchmark flour for authentic Neapolitan-style pizza. Milled from carefully selected wheat, Caputo Pizzeria Blue delivers the perfect balance of strength, elasticity and extensibility for dough that is easy to work with and beautifully light when baked. Designed for high-temperature pizza ovens, it produces a crisp, golden exterior with a soft, airy and flavourful crust. A true pizzeria staple for chefs chasing that unmistakable Italian finish.

A proud Australian baking tradition.

With a heritage dating back to 1872, Mauri has grown from its early milling roots into one of Australia's leading suppliers of flour and bakery ingredients. From dependable bread flours to specialty, wholegrain, rye, spelt and pizza flours, Mauri's range is designed to give bakers the performance and consistency they need, whether crafting everyday favourites or distinctive artisan creations.

Australian heritage. Expertly milled. Made for better baking.

Crafted for pizza makers who demand consistency, performance and a beautifully finished crust, Mauri ANZ 00 Pizza Flour is a versatile choice for professional pizza production. Its fine 00-style milling creates smooth, workable dough with excellent elasticity and extensibility, helping deliver reliable results from the bench to the oven. Ideal for traditional and contemporary pizza styles, it produces a crisp, golden exterior with a light, tender crumb and plenty of room for chefs to put their own stamp on every pie.

The Art of Pasta

Curated artisan ingredients for authentic flavour

At P.E. Foods, we've curated a collection of premium Italian dried pasta chosen for its texture, flavour and ability to hold a beautiful al dente bite. From classic shapes to distinctive regional varieties, our range brings the character of Italy to every plate.

Authentic Italian pasta, rooted in tradition.

Since 1924, Rustichella d'Abruzzo has been crafting pasta in the Abruzzo town of Penne, preserving a family tradition built on passion, craftsmanship and exceptional ingredients. Today, the fourth generation continues the vision of producing pasta with the character and quality of traditional Italian craftsmanship. Rustichella's pasta is bronze-drawn and slowly dried at low temperatures, creating its distinctive rough, porous texture that allows sauces to cling beautifully to every strand and shape. The result is pasta with exceptional texture, flavour and cooking performance, made for everything from simple regional recipes to sophisticated restaurant dishes.

A century of Abruzzese tradition. Bronze-drawn. Slowly dried. Simply exceptional.

The Art of Rice

Curated artisan ingredients for authentic flavour

At P.E. Foods, we bring together premium Italian rice selected for chefs who know that great risotto starts with the right grain. From creamy Carnaroli and Arborio to delicate Vialone Nano, each variety brings its own personality to the plate, absorbing flavour while delivering the texture and finish that Italian cooking demands.

A centuries-old Italian tradition, in every grain.

Since 1650, the Ferron family has been dedicated to the cultivation and milling of exceptional Italian rice. Based in the heart of the Veronese rice-growing region, Riseria Ferron is renowned for its craftsmanship and its dedication to preserving traditional milling methods, including the historic Pila Vecia technique. Ferron's range showcases some of Italy's finest rice varieties, including the celebrated Vialone Nano Veronese IGP, as well as Carnaroli, Venere and Hermes. Each variety is selected for its distinctive character and culinary performance, making Ferron an ideal choice for authentic risotto, refined Italian dishes and contemporary cuisine.

Italian heritage. Traditional craftsmanship. Exceptional rice.

Vialone Nano 1kg

A semi-fine rice, with grains of medium size, round and semi- long shape; the abundant release of starch makes it ideal for the preparation of tasty risottos. Vialone Nano is a very versatile rice and suitable for any cooking preparation. Its resistance to cooking, flavour and ability to absorb seasonings are enhanced on traditional and creamed risottos.

Carnaroli 1kg

Carnaroli rice, superfine rice with a large grain and an elongated shape, with a very light colour. Carnaroli is among the most appreciated varieties of Italian rice in the world for its excellent resistance to cooking and its ability to absorb aromas and condiments in an excellent way. It maintains its consistency for long time even once cooked and gives the high quality of starch it is suitable for very creamy risottos.

Vialone Nano 1kg

The processing with the Pestelli rice, slow and with minimal friction, highlights all the qualities of the Veronese Vialone Nano and leaves it intact, rich in starches, vitamins and crude fibers. This is a semi-fine rice, with a grain of medium size, round and semi-long shape; The abundant release of starch makes it ideal for the preparation of tasty risottos.

The art of Italian rice, since 1934.

For over 90 years, Riseria Ceriotti has combined family tradition with careful selection and modern milling expertise to produce exceptional Italian rice. Based in Novara, in the heart of Italy's renowned rice-growing region, the family-owned business has passed its knowledge and passion from generation to generation.

Ceriotti's range includes premium Carnaroli, Arborio and Vialone Nano. Its Carnaroli is prized for its large grains and distinctive central pearl, while Arborio releases abundant starch during cooking, creating the creamy texture that makes a classic Italian risotto so irresistible.

Italian heritage. Modern milling. Outstanding risotto.

The Art of Polenta

Curated artisan ingredients for authentic flavour

At P.E. Foods, we source and supply premium Italian polenta, selected for its authentic flavour, texture and quality. Our curated range brings traditional Italian character to the kitchen, perfect for creating rich, comforting polenta dishes with consistent results.

The authentic taste of Northern Italy.

Since 1922, Moretti has perfected the art of Italian corn milling, developing a polenta flour recipe that has become a signature of the family business. Its traditional Bramata is a coarse-ground cornmeal with a rich, full-bodied flavour, ideal for creamy polenta and classic Italian dishes.

Perfect alongside slow-cooked meats, rich ragù, mushrooms and cheeses, Moretti brings the warmth and rustic character of Bergamo's culinary tradition to the modern kitchen.

100 years of Italian tradition. Authentic polenta is Moretti.

White Polenta Bramata 500g

White polenta is usually served in Venice and the surrounding area, as well as in Friuli, where it is known as Polenta Bianca. Bramata Bianca is made from vitreous white corn that is dried and ground to a coarse meal, in the same manner as Bramata polenta. Served both soft and hard, white polenta is present in almost every restaurant around the lagoon of Venice and around the coastline of Trieste.

Polenta Bramata - Coarse 500g

Rustic, coarse, hearty, golden yellow, with great aroma, texture, and taste. Bring 2 liters of water to a boil, preferably in a copper pot. Add a tablespoon of salt. Pour the polenta in slowly and whisk vigorously until well-blended to avoid lumping. Once bubbling, lower the flame and stir for 30-45 minutes with a wooden spoon. Cook until the desired consistency is reached, pour over a wooden board or soup bowl and serve immediately topped with your favorite sauce, cheese, or meats.

Lampo Polenta - 500g Ready to serve in just five minutes!

Lampo polenta is made from partially steamed coarse Bramata polenta. After milling, the polenta is essentially pre-cooked: the flour is steamed at 80°C for a few minutes, then cooled and milled once again to obtain a finer meal. Thanks to the steaming process, the polenta retains its aroma and taste as well as its nutritional value. This gentle process allows the polenta to cook in 5 minutes rather than the 30-40 minutes that regular Bramata requires.

Polenta Taragna Lampo 500g

Taragna Polenta is yellow cornmeal mixed with coarse-ground buckwheat. It originates in Italy's Alpine region like the Valtellina in Northern Lombardy. This quick-cooking version takes just 8 minutes. Served hard or soft, Taragna polenta makes a wonderful warm side dish that complements so many other flavors. It is perfect when served warm with butter, creamy Taleggio cheese and sage, or layered with a rich meat or sausage ragù.

Carefully selected olives and a commitment to traditional craftsmanship create oils with beautiful balance, character and versatility. From finishing dishes to dressing salads, marinades and everyday cooking, Ardoino delivers authentic Italian flavour and the quality discerning chefs expect.

From the grove to your plate. The taste of Italy

Drupa Aurea Extra Virgin Olive Oil 500ml

This EVOO is obtained from only pitted olives. The pulp is squeezed once separated from the stone. This delicious cold pressed EVOO has excellent nutritional properties: more phenolic antioxidants and fewer polyunsaturated acids, less peroxides and therefore more resistance to oxidation, lower acidity, lightening the intensity of bitterness and wood. Excellent for highlighting delicate foods such as white meats, boiled shellfish, steamed and baked fish, vegetables and seafood appetisers.

Fructus Extra Virgin Olive Oil 500ml

This EVOO is obtained from the first cold pressing of carefully selected olives coming from controlled grows. Fructus Ligurian EVOO has a pleasing fresh palate and delicate, sweet, fruity almost buttery flavour with a slight peppery kick at the finish. The acidity level is between 0.4% and 0.5%. A high-quality oil, with a low level of acidity, excellent for seasoning pasta, meat or fish dishes.

Tradition pressed into every drop.

Rooted in the Abruzzo region, Rustichella d'Abruzzo brings the same dedication to quality and Italian craftsmanship found in its renowned pasta to its olive oil production. Carefully selected olives are transformed with a focus on preserving their natural flavour, freshness and character, creating oils with a beautifully balanced profile and authentic Mediterranean depth. Authentic Abruzzese flavour.

Rustichella Intosso Extra Virgin Olive Oil 500ml

A premium extra virgin olive oil made exclusively from Abruzzo's native Intosso olive. This expressive monocultivar offers fresh, herbaceous aromas with vibrant notes of green olive, freshly cut grass, green tomato and artichoke. The palate is beautifully balanced, with a gentle bitterness and lively peppery finish. Ideal for dipping, dressing and finishing pasta, seafood, grilled vegetables and fresh salads.

The Art of Vinegar

Curated artisan ingredients for authentic flavour

Our vinegar range brings together the best of both worlds, from traditional Italian vinegars imported from Italy to quality vinegars crafted right here in Queensland. Selected for balance, depth and versatility, they add brightness and complexity to everything from salads and dressings to marinades, sauces and finished dishes.

The art of balsamic, perfected over generations.

From the heart of Modena, Acetaia Leonardi has been crafting exceptional balsamic vinegar since the 19th century, with traditional methods passed down through four generations. Surrounded by its own vineyards, the family produces and ages its balsamic in wooden barrels, allowing time, craftsmanship and the unique character of Modena to shape every drop. From everyday balsamics to beautifully aged reserves, Leonardi brings depth, balance and unmistakable Italian character to salads, Parmigiano, grilled meats, fresh fruit and desserts.

Made in Modena. Aged with patience. Savoured by the drop.

Balsamic of Modena PGI Dolce Vita - 250ml & 500ml

This balsamic vinegar is produced using only two ingredients: acetified grape must and wine vinegar. It is then aged for a minimum of 6 years which is well above the consortium regulation.

White Balsamic Oro Nobile 5Yrs - 250ml & 500ml

Produced using white Trebbiano grape must, acetified and aged in oak barrels for five years to get its typical amber colour. It's an excellent replacement for white wine vinegar, with a smoother finish.

Grilled Mackerel Fillets in Olive Oil 90g

Just perfect for those who prefer the intense and peculiar taste of blue fish, the tender fillets of Delicius grilled mackerel are sourced from the precious *Scomber japonicus* species. They are carefully hand cleaned and filleted and then flavoured by the skilful grilling.

Mackerel Fillets in Olive Oil 90g

The excellent qualities of Delicius mackerel fillets and all their content of precious nutrients, safely and easily packed in our signature box that has become one of the brand's symbols over time. The must-have ingredient

Shrimps in Brine 90g

From the clean, cold and rich in fish seas of the North come the exquisite Delicius shrimps in brine. They belong to the tasty *Pandalus Borealis* species. Great for appealing appetizers, tasty canapés and salads. The quality of the Delicius shrimps is clearly visible through the glass jar.

Vongole in Brine 130g

The best quality clams of the *Venus Gallina* species (the most exquisite and refined one, a real Mediterranean glory) plus the accurate processing that is typical of Delicius. Open a jar of Delicius Clams and create a magical dish of spaghetti that your friends will remember.

The Art of Antipasto

Curated artisan ingredients for authentic flavour

P.E. Foods source and supply premium olives, marinated vegetables and traditional Italian pickles trusted by chefs and hospitality professionals. Our curated antipasto range brings authentic Mediterranean flavour, texture and colour to grazing boards, starters, salads, pizzas and sharing plates.

Toolunka Estate brings premium South Australian table olives from the Riverland to the plate. Grown across three farms and processed using traditional European methods, their olives are naturally cured for depth of flavour, firm texture and distinctive varietal character. With no synthetic fertilisers or chemical pesticides, Toolunka Estate delivers exceptional Australian olives made for antipasti, pizzas, salads, grazing boards and modern Mediterranean menus

Sevilliano 2kg - This Olive originates from Spain and has a distinctive heart shape. It has a thinner skin than our other varieties and easily absorbs the natural enhancements. They are medium in firmness and present exceptionally well on the plate. Definitely the sweetest of our green olives.

Tuscan Mix 2kg and 10kg - A magnificent visual display of at least four different olives with complimenting bursts of flavour. This mix consists of Wallace, Kalamata, Tuscan, Verdale sometimes Sevillano, Blonde and Early pick Kalamata. The Tuscan olive is a medium to large sized juicy round fruit, the Verdale is a small round bright Green olive with fresh taste.

Kalamata 2kg - This is our only black olive and has a point of difference to other black kalamatas in the market place as there is a distinct lack of vinegar taste. Vinegar can mask the true taste of the fruit. Several alternative natural additives are present in this variety which enhances the delightful natural ripened taste of this fruit.
